Each player also agrees to cooperate with the news media and to participate upon request in reasonable promotional activities of the Grand

Slam Tournaments. Such activities by a player shall not be represented as an endorsement by the player of any product or company.

F. WAIVER OF CLAIMS

These decisions, before finalised or changed, should be made in close co-operation and consultation with the Tournament Director, Referee, Grand Slam Chief of Supervisors, player representative and/or any other parties helpful to a full and careful deliberation.

U. ON-SITE DECISIONS AND APPEALS

1. Questions of Fact

A Question of Fact is defined as an issue relating to what actually occurred during a specific instance. Questions of Fact arising during a match shall be determined by the on-court officials for that match and such determinations are binding on the players and Referee.

A player may request verification by the Chair Umpire of a call or other determination of fact on a point-ending call made by an on-court official.

The request, verification and resumption of play must all be completed within the twenty (20) seconds allowed between points, unless the Chair Umpire determines that an extension is necessary. If an extension is granted it shall be concluded with the announcement “Let’s Play”.

a. Player Appeal

A player may never appeal a determination on a Question of Fact to the Referee.

b. Overrule

The Chair Umpire may overrule a Line Umpire only in the case of a clear mistake by the Line Umpire and only if the overrule is made promptly after the mistake is made.

i. Clear Mistake

It is difficult to define a “Clear Mistake” any more precisely. As a matter of practice the Chair Umpire must be in a position to make a determination that a call was erroneous beyond any reasonable doubt. Chair Umpires should never make an overrule on a ball that is a close call. As a practical matter, to overrule a ball determined “good” by a Line Umpire, the Chair Umpire must have been able to see a space between the ball and the line. Likewise to overrule an “Out” or “Fault” call by a Line Umpire, the Chair Umpire must have seen the ball hit on or inside the line.

ii. Promptly

The Rules of Tennis requires in addition to a “Clear Mistake” that the Chair Umpire must overrule promptly, i.e. immediately after the Line Umpire makes the Clear Mistake. The overrule call must be made almost simultaneously with the Clear Mistake of the Line Umpire.

A Chair Umpire may never make an overrule as a result of a protest or appeal by a player.

A Line Umpire may never change a call as a result of a protest or appeal by the player.

2. Questions of Tennis Law

A Question of Tennis Law is defined as an issue relating to the construction and application of specified facts of these Grand Slam Rules, Grand Slam Code of Conduct and/or the Rules of Tennis. During a match, Questions of Tennis Law shall first be determined by the Chair Umpire. If the Chair Umpire is uncertain or if a player appeals from his determination, then the decision shall be made by the Referee. The decision of the Referee in consultation with the Grand Slam Chief of Supervisors shall be final and non-appealable.

a. Player Appeal

Players shall have the right to appeal against any ruling of Tennis Law in accordance with the procedures hereinafter set forth.

When a player is of the opinion that a ruling by the Chair Umpire on a matter of Tennis Law is incorrect, he may appeal the ruling by notification to the Chair Umpire in a professional and non-abusive manner. Thereupon, the Chair Umpire shall turn off all microphones in the area of the Chair and immediately call for the Referee. Upon his arrival the Chair Umpire shall state all the facts of the incident and the Referee shall be bound by the facts as so determined and stated. Then the Chair Umpire shall state his ruling on the applicable Tennis Law and the player shall state his position with respect to such ruling. The Referee shall review briefly the applicable rules with the player and the Chair Umpire and either affirm or reverse the ruling. Thereafter, play shall be resumed upon the statement by the Referee "Let's play" and the players must proceed to commence play. Every effort should be made to determine such an appeal within twenty (20) seconds and upon the statement "Let's play" the twenty (20) second clock shall commence.

V. TOURNAMENT / MATCH COMMENCEMENT

A tournament officially starts when the first serve of the first match is struck. A match officially starts when the first serve is struck.

W. PLAYERS' REST / MEDICAL

1. Between Qualifying and Main Draw

Other than in exceptional circumstances, no player shall be required to play his first round match in the singles Main Draw until at least twelve (12) hours after the completion of his final Qualifying match. If a player plays two (2) singles Qualifying matches in one day, he should not be scheduled on the following day for his first round singles match, unless such player is accepted into the tournament as a Lucky Loser.

2. **Between Matches**

Except when weather or other unavoidable circumstances causes schedule disruption, players shall be scheduled for a maximum of one (1) singles match and one (1) doubles match per day, which shall not be scheduled less than twelve hours after the completion of the last match of such player on the preceding day or round.

Whenever it is necessary to schedule more than one match in the same day such player shall, unless he is in a singles and doubles finals to be played consecutively, be given the following minimum rest periods:

If he has played less than 1 hour	- ½ hour rest
If he has played between 1 hour and 1½ hours	- 1 hour rest
If he has played more than 1½ hours	- 1½ hours rest

3. **Medical**

a. **Medical Conditions**

A medical condition is a medical illness or a musculoskeletal injury that warrants medical evaluation and/or medical treatment by the Physiotherapist/Athletic Trainer (also known as the Primary Health Care Provider) during the warm-up or the match.

- **Treatable Medical Conditions**
 - Acute medical condition: the sudden development of a medical illness or musculoskeletal injury during the warm-up or the match that requires immediate medical attention.
 - Non-acute medical condition: a medical illness or musculoskeletal injury that develops or is aggravated during the warm-up or the match and requires medical attention at the changeover or set break.
- **Non-Treatable Medical Conditions**
 - Any medical condition that cannot be treated appropriately, or that will not be improved by available medical treatment within the time allowed.
 - Any medical condition (inclusive of symptoms) that has not developed or has not been aggravated during the warm-up or the match.
 - General player fatigue.
 - Any medical condition requiring injections, intravenous infusions or oxygen, except for diabetes, for which prior medical certification has been obtained, and for which subcutaneous injections of insulin may be administered.

b. Medical Evaluation

During the warm-up or the match, the player may request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him/her during the next change over or set break. Only in the case that a player develops an acute medical condition that necessitates an immediate stop in play may the player request through the Chair Umpire for the Physiotherapist/Athletic Trainer to evaluate him/her immediately.

The purpose of the medical evaluation is to determine if the player has developed a treatable medical condition and, if so, to determine when medical treatment is warranted. Such evaluation should be performed within a reasonable length of time, balancing player safety on the one hand, and continuous play on the other. At the discretion of the Physiotherapist/Athletic Trainer, such evaluation may be performed in conjunction with the Tournament Doctor, and may be performed off-court. *

If the Physiotherapist/Athletic Trainer determines that the player has a non-treatable medical condition, then the player will be advised that no medical treatment will be allowed.

c. Medical Time-Out

A Medical Time-Out is allowed by the Referee in consultation with the Grand Slam Supervisor or Chair Umpire when the Physiotherapist/Athletic Trainer has evaluated the player and has determined that additional time for medical treatment is required. The Medical Time-Out takes place during a change over or set break, unless the Physiotherapist/Athletic Trainer determines that the player has developed an acute medical condition that requires immediate medical treatment.

The Medical Time-Out begins when the Physiotherapist/Athletic Trainer is ready to start treatment. At the discretion of the Physiotherapist/Athletic Trainer, treatment during a Medical Time-Out may take place off-court, and may proceed in conjunction with the Tournament Doctor. *

The Medical Time-Out is limited to three (3) minutes of treatment.

A player is allowed one (1) Medical Time-Out for each distinct treatable medical condition. All clinical manifestations of heat illness shall be considered as one (1) treatable medical condition. All treatable musculoskeletal injuries that manifest as part of a kinetic chain continuum shall be considered as one (1) treatable medical condition.

Muscle Cramping: A player may receive treatment for muscle cramping only during the time allotted for change of ends and/or set breaks. Players may not receive a Medical Time-Out for muscle cramping.

In cases where there is doubt about whether the player suffers from an acute medical condition, non-acute medical condition inclusive of muscle cramping, or non-treatable medical condition, the decision of the Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor, if appropriate, is final. If the Physiotherapist/Athletic Trainer believes that the player has heat illness, and if muscle cramping is one of the manifestations of heat illness, then the muscle cramping may only be treated as part of the recommended treatment by the Physiotherapist/Athletic Trainer for the heat illness condition.

Note:

A player who has stopped play by claiming an acute medical condition, but is determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor to have muscle cramping, shall be ordered by the Chair Umpire to resume play immediately.

If the player cannot continue playing due to severe muscle cramping, as determined by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, he/she may forfeit the point(s)/game(s) needed to get to a change of ends or set-break in order to receive treatment. There may be a total of two (2) full change of ends treatments for muscle cramping in a match, not necessarily consecutive.

If it is determined by the Chair Umpire or Referee in consultation with the Grand Slam Supervisor that gamesmanship was involved, then a Code Violation for Unsportsmanlike Conduct could be issued.

A total of two (2) consecutive Medical Time-Outs may be allowed by the Referee in consultation with the Grand Slam Supervisor or Chair Umpire for the special circumstance in which the Physiotherapist/Athletic Trainer determines that the player has developed at least two (2) distinct acute and treatable medical conditions. This may include: a medical illness in conjunction with a musculoskeletal injury; two or more acute and distinct musculoskeletal injuries. In such cases, the Physiotherapist/Athletic Trainer will perform a medical evaluation for the two or more treatable medical conditions during a single evaluation, and may then determine that two consecutive Medical Time-Outs are required.

d. Medical Treatment

A player may receive on-court medical treatment and/or supplies from the Physiotherapist/Athletic Trainer and/or Tournament Doctor during any changeover or set break. As a guideline, such medical treatment

should be limited to two (2) changeovers/set breaks for each treatable medical condition, before or after a Medical Time-Out, and need not be consecutive. Players may not receive medical treatment for non-treatable medical conditions.

e. Penalty

After completion of a Medical Time-Out or medical treatment, any delay in resumption of play shall be penalized by Code Violations for Delay of Game.

Any player abuse of this Medical Rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

f. Bleeding

If a player is bleeding, the Chair Umpire must stop play as soon as possible, and the Physiotherapist/Athletic Trainer must be called to the court by the Chair Umpire for evaluation and treatment. The Physiotherapist/Athletic Trainer, in conjunction with the Tournament Doctor if appropriate, will evaluate the source of the bleeding, and will request a Medical Time-Out for treatment if necessary.

If requested by the Physiotherapist/Athletic Trainer and/or Tournament Doctor, the Referee in consultation with the Grand Slam Supervisor or Chair Umpire may allow up to a total of five (5) minutes to assure control of the bleeding.

If blood has spilled onto the court or its immediate vicinity, play must not resume until the blood spill has been cleaned appropriately.

g. Vomiting

If a player is vomiting, the Chair Umpire must stop play if vomiting has spilled onto the court, or if the player requests medical evaluation. If the player requests medical evaluation, then the Physiotherapist/Athletic Trainer must determine if the player has a treatable medical condition, and if so, whether the medical condition is acute or non-acute.

If vomiting has spilled onto the court, play must not resume until the vomit spill has been cleaned appropriately.

h. Physical Incapacity

During a match, if there is an emergency medical condition and the player involved is unable to make a request for a Physiotherapist/Athletic Trainer, the Chair Umpire shall immediately call for the Physiotherapist/Athletic Trainer and Tournament Doctor to assist the player.

Either before or during a match, if a player is considered unable physically to compete, the Physiotherapist/Athletic Trainer and/or Tournament Doctor should inform the Referee and/or Grand Slam

Supervisor and recommend that the player is ruled unable to compete in the match to be played, or retired from the match in progress.

The Referee in consultation with the Grand Slam Supervisor shall use great discretion before taking this action and should base the decision on the best interests of professional tennis, as well as taking all medical advice and any other information into consideration.

The player may subsequently compete in another event at the same tournament if the Tournament Doctor determines that the player's condition has improved to the extent that the player may safely physically perform at an appropriate level of play, whether the same day or on a later day.

- * It is recognized that national laws or governmental or other binding regulations imposed upon the event by authorities outside its control may require more compulsory participation by the Tournament Doctor in all decisions regarding diagnosis and treatment.

4. Toilet/Change of Attire Break

A player is allowed to request permission to leave the court for a reasonable time for a toilet break/change of attire break (women's events). Toilet breaks should be taken on a set break and can be used for no other purpose. Change of attire breaks (women's events) must be taken on a set break.

In women's singles events a player is entitled to two (2) breaks during a match.

In men's singles events a player is entitled to one (1) toilet break during a best of three (3) set match and two (2) toilet breaks during a best of five (5) set match.

In all doubles matches, each team is entitled to a total of two (2) breaks. If partners leave the court together, it counts as one of the team's authorised breaks. Any time a player leaves the court for a toilet break, it is considered one of the authorised breaks regardless of whether or not the opponent has left the court. Any toilet break taken after a warm-up has started is considered one of the authorised breaks.

Additional breaks will be authorised but will be penalised in accordance with the Point Penalty Schedule if the player is not ready to play within the allowed time.

Any player abuse of this rule will be subject to penalty in accordance with the Unsportsmanlike Conduct section of the Code of Conduct.

X. SUSPENSION AND POSTPONEMENT

The Chair Umpire or the Referee in consultation with the Grand Slam Chief of Supervisors may suspend a match temporarily due to darkness or conditions of the grounds or weather. Any such suspension by a Chair Umpire must be reported immediately to the Referee. The Referee must, however, make all decisions

regarding the postponement of a match until a later day. Unless and until a match is postponed by the Referee, the players, the Chair Umpire and all on-court officials must remain ready to resume the match. If postponement is due to darkness it should be at the end of a set or after an even number of games have been played in the set in progress. Upon suspension/postponement of a match, the Chair Umpire shall record the time, point, game and set score, the name of the server, the sides on which each player was situated and shall collect all balls in use for the match. In the case of a suspended or postponed match, the period of re-warm-up shall be as follows:

0-15 minutes delay	-	No re-warm-up
15-30 minutes delay	-	Three (3) minutes re-warm-up
30 or more minutes delay	-	Five (5) minute re-warm-up

Y. FACILITIES REQUIREMENTS

1. Court

The Court shall conform to the specifications in the Rules of Tennis.

2. Preparation of Courts

Clay courts shall be swept and lines cleaned before the start of all matches.

3. Net

The net band shall be cloth, canvas, plastic or vinyl, and the net shall extend to the ground, unless otherwise approved by the Referee. Spare nets shall be readily available.

4. Chairs

Chairs shall be provided for players on each side of the Chair Umpire.

5. Scoreboard

The scoreboard shall be placed at the corner or side of the court and shall not obscure the playing visibility.

6. Back Walls, Net and Fixtures

The back fence, walls, net, net post, linesmen boxes and other fixtures on a court shall not be painted or otherwise have any light colours thereon that can interfere with the vision of the players as determined by the Referee.

7. Banners

Whenever possible banners should be placed in locations, other than on the back walls of the courts, where they cannot interfere with the players' vision. If banners are placed on the back walls, they may not be in light colours that can interfere with the vision of the players as determined by the Referee.

8. Lighting

Whenever a Grand Slam Tournament plays under artificial lighting the lighting must be evenly distributed on the court with an intensity of illumination sufficient for professional tennis.

9. Practice Courts

Each Grand Slam Tournament shall provide for the players a sufficient number of practice courts with the same surface and conditions as the Main Draw in order to prepare for and compete in the event.

Z. ENTRY PROCEDURES

1. Singles Entries and Withdrawals

Unless otherwise approved by the Grand Slam Board, each Grand Slam Tournament will have an independent Entry Form for purposes of player entries into the event.

a. Closing Date

The closing date for entries and withdrawals for the singles Main Draw in each Grand Slam Tournament is forty-two (42) days prior to the first Monday of the tournament except that a player on the Alternate list for the singles Main Draw may withdraw at any time prior to such time as he is moved into the Direct Acceptance on account of withdrawals of other players. The closing date for entries and withdrawals for the Singles Qualifying tournaments is twenty-eight (28) days prior to the first Monday of the tournament.

b. Method of Entry or Withdrawal

All entries and withdrawals must be on official entry forms and signed personally by the player or his authorised representative. Entries and/or withdrawals must be received on or before the prescribed deadline for each Grand Slam Tournament. Players may submit their entries and/or withdrawals either directly to the Tournament or to the Director, Grand Slam Board at the addresses listed herein. Withdrawals or defaults must be made through the Referee.

c. Late Entries

Any player who submits an entry after the due date may only be accepted into the singles Main Draw as a Wild Card or as a Qualifier.

d. Extensions

The GSB may in its discretion extend the deadline for entries and/or withdrawals if it determines such action to be necessary when unforeseen circumstances arise.

- e. **Late Withdrawal**
Any player who withdraws after the deadline for withdrawal shall be subject to the sanctions provided in the Grand Slam Code of Conduct.
- f. **No Play After Late Withdrawal**
If a player withdraws from the singles event after the singles withdrawal date for any reason, he may not play in any other tournament or special event during the period of the tournament or compete in the doubles event of the tournament, unless expressly authorised by the GSB. A violation of this Section shall be punishable by the sanctions set forth in the Code.
- g. **One Tournament During Grand Slam Tournament**
Once a player enters a Grand Slam Tournament and is accepted into the Main Draw of singles or signs in the Qualifying competition, he cannot be committed to any other tournament during the period of that Grand Slam Tournament, unless expressly authorised by the GSB.

2. Singles Main Draw

Each Grand Slam Tournament shall specify the time and place that the Referee shall publicly make the singles draw. The draw shall be composed as follows:

- a. **Direct Acceptances**
Players who are accepted directly in the draw by virtue of their computer singles ranking. The computer ranking to be used shall be that dated approximately forty-two (42) days prior to the commencement of the tournament.
- b. **Wild Cards**
Players who are included in the draw at the sole discretion of the individual Grand Slam Tournament Committee. Wild Cards may be seeded. Wild Cards must be named at the time the draw is made and Wild Cards that withdraw or default may not be replaced with new Wild Cards after the draw is made, except as provided under Section f. iii. herein. Such position shall be filled by the next eligible person on the entry list, or if the Qualifying competition has commenced, it shall be filled by the eligible Lucky Loser. The Qualifying competition commences when the first ball of the first Qualifying match is struck. No player may be named as a Wild Card who has competed in the Qualifying competition of that tournament.
- c. **Qualifiers**
Players who are included in the draw as a result of their success in a Qualifying competition.
If the Main Draw is made prior to the completion of a Qualifying competition, it shall include the appropriate number of qualifying

places. Each of these qualifying places will be positioned in the Main Draw in accordance with the standard drawing procedures. Determination as to which Qualifier goes into which qualifying place will be effected by drawing after the Qualifying competition ends.

d. Vacancies

After the draw is made and prior to the commencement of the Qualifying competition, all vacancies created by the withdrawal of unseeded players, including Wild Card withdrawals, shall be filled by the next highest ranked player(s) on the original entry list. After the Qualifying competition commences, such vacancies may only be filled by eligible Lucky Losers.

e. Composition

Unless otherwise agreed, the Singles Main Draw shall be composed as follows:

	Total Accepted	Direct Acceptances	Qualifiers	Wild Cards
Men	128	104	16	8
Women	128	104, 108, 112	16, 12, 8	8

f. Seeds

Players who are given preferential positions in the draw.

i. Seeds Required

All Grand Slam Tournaments will have a seeded draw. There shall be only one seeding list.

ii. Selection of Seeds

The selection of seeds will be at the discretion of each individual Grand Slam Tournament Committee, however, the computer ranking list dated approximately seven (7) days prior to the tournament shall be a primary, but not sole, basis for such selection.

iii. Seedings Official/Remake of Draw/Replacement of Seeds

Seedings will not be official until the final draw is made. If two or more of the top eight seeds withdraw more than forty-eight (48) hours before the start of the tournament, the tournament may choose either to remake the draw or let the draw stand. Notwithstanding anything else contained herein, if a Wild Card withdraws after the original draw and the draw is to be remade, the vacancy created may be filled at the tournament's option by a substitute Wild Card; if the tournament elects not to use a

substitute Wild Card, the vacancy shall be treated as any other vacancy below.

Any vacancy created by the withdrawal of a seed prior to the release of the Order of Play for the first day of Main Draw shall be filled as follows:

- If the withdrawal is among seeds 1 to 4, the 5th seed is moved into then open position, the 5th position shall be filled by the 17th seed, and the 17th position shall be filled by the next highest ranked player eligible to be seeded.
- If the withdrawal is among seeds 5 to 16, the 17th seed is moved into the open position and the 17th position shall be filled by the next highest ranked player eligible to be seeded.
- If the withdrawal is among seeds 17 to 32 it shall be filled by the next highest ranked player eligible to be seeded.

The position vacated by that next highest ranked player shall then be filled by the next player on the original entry list if prior to the commencement of the Qualifying competition or by the eligible Lucky Loser if after the commencement of the Qualifying competition.

Any vacancy created by the withdrawal of a seed which occurs after the release of the Order of Play for the first day of the Main Draw shall be filled by eligible Lucky Losers.

iv. Number of Seeds

The minimum number of seeded players in the Main Draw will be 16.

v. Procedure for Placing Seeds

- (1) Place Seed 1 on Line 1 and Seed 2 on Line 32 (32 draw), Line 64 (64 draw) or Line 128 (128 draw).
- (2) To determine the placement of the remaining seeds, draw in pairs of two (Seeds 3 and 4) and groups of four (Seeds 5-8, 9-12 and 13-16) and groups of eight (seeds 17-24 and 25-32) from top to bottom as follows:

g. Method of Draw

A draw sheet for 128 places will be used.

The placement of seeds as heretofore provided. The remaining players, including the Qualifiers, will be drawn and placed into the vacant spaces in the draw, beginning at the top of the draw.

h. Lucky Losers and Substitutions

i. Lucky Losers

Lucky Losers are those players who have lost in the final round of the Qualifying competition or, if more Lucky Losers are required, those players who have lost in the previous qualifying rounds. Lucky Losers shall be selected based on the computer rankings used for the determination of qualifying seedings as follows:

The order of the four (4) highest ranked players shall be randomly drawn, thereafter the order shall follow the players' rankings, unless there are more than two (2) main draw withdrawals at the time the Qualifying competition is finished in which case the size of the random draw will be the number of withdrawals plus two (2).

The Lucky Loser list will be posted each day at least one (1) hour prior to the sign-in deadline which will be one-half (½) hour before the first point is played in the first match. Such list shall not be available for sign-in on the preceding day.

ii. Substitutions

A Lucky Loser shall be inserted in the appropriate position as a substitution for any player who withdraws or is withdrawn before the first point is played in his first match.

In order to be eligible for substitution, a Lucky Loser must:

- (1) report to the Referee and sign the Lucky Loser Sign-In Record at least one-half (½) hour prior to the start of the first match of each day, and
- (2) be ready to play within five (5) minutes for men's events and fifteen (15) minutes for women's events after the announcement of the default.

If the eligible Lucky Loser is not available to play, in men's events he shall be placed at the bottom of the Lucky Loser priority list for that day corresponding to the qualifying round in which he lost and in women's events she shall forfeit her Lucky Loser status for the duration of the tournament. If the eligible player is playing in the doubles event at the time he is called as a Lucky Loser in singles, the singles match may be rescheduled so he can fill the Lucky Loser position, provided the Referee determines that such rescheduling of the singles match does not cause an unreasonable disruption in the schedule; otherwise the next available Lucky Loser shall be selected to fill such vacancy.

iii. Vacancy During Qualifying

If a Lucky Loser position should become available during the Qualifying competition, it shall be treated the same as the qualifying places for placement in the Main Draw.

- iv. **Vacancy After Qualifying**
If a Lucky Loser position becomes available after the qualifying places are drawn in the Main Draw, the eligible Lucky Loser will be inserted in the appropriate position. If a position becomes available during the day, the eligible Lucky Loser will be inserted in the appropriate position at the time the withdrawal is confirmed. Unless otherwise determined by the Referee, positions becoming available after the start of play for the start of the last match of each day will be filled by the eligible Lucky Loser on the successive day of play. When two (2) or more positions become available at the same time, during the foregoing period, the positions to be occupied by each Lucky Loser will be determined by lot.

3. Singles Qualifying Competition

The Qualifying competition shall be a single elimination tournament. There shall be no pre-qualifying event, however nothing herein shall prevent a Grand Slam Tournament from conducting a separate or local event to determine Wild Cards in the Qualifying competition or Main Draw and unsuccessful participants in said event are not prohibited from entering the Qualifying competition if they are otherwise qualified therefore. If the Qualifying competition is not held at the same site as the Main Draw, the Grand Slam Tournaments will provide suitable facilities and equipment at such alternate site.

- a. **Surface**
The Qualifying competition will be played on the same surface as the Main Draw. However, if there are circumstances beyond the control of the Referee, qualifying matches may be held on a surface different from that of the main event.
- b. **Minimum Size**
The minimum number of places in the singles Qualifying competition will be the same as in the Main Draw unless otherwise authorised by the GSB.
- c. **Qualifying Competition Required**
All Grand Slam Tournaments must have a Qualifying competition unless there are places available in the Main Draw for all players listed on the applicable computer rankings who have entered or unless otherwise authorised by the GSB.
- d. **Composition**
Unless otherwise authorised by the GSB, the singles Qualifying competition shall be composed as follows:

Total Accepted	Direct Acceptances	Wild Cards
128	119	9
96	88	8
64	56	8

- e. Selection of Qualifying Entries**
Direct Acceptances into the Qualifying competition shall be selected from among players with a computer ranking who have entered, in accordance with any advance entry system. The order of selection shall be consistent with the ranking used for any advance entry system. Ties shall also be resolved consistent with the computer ranking system. If a withdrawal occurs after the deadline for the Qualifying Draw the vacancy shall be filled from the on-site Alternate Sign-In list using the order of the original Qualifying Alternate list based on the rankings as of the Qualifying entry deadline.
- f. Byes**
In the event there are not enough competitors to fill the Qualifying Draw, then after the seeds are placed in the draw as hereinafter set forth, the required number of byes shall be awarded to the highest seeds as a first priority and any remaining byes shall be drawn by lot in a manner so as to distribute them as evenly as possible throughout the sections of the draw.
- g. Sections and Seeds**
The Qualifying Draw shall be made in sections, and the winner of each section shall be given a place in the Main Draw. If four (4) Qualifiers are required, there will be four (4) sections; six (6) Qualifiers, six (6) sections; and so on. The draw shall be seeded and the selection of seeds shall be consistent with the most recent available computer ranking list. There shall be one seed in the top half and one seed in the bottom half of each section. If a seed withdraws from the Qualifying Draw prior to the release of the Order of Play on the day preceding the start of the Qualifying competition, the next eligible seed takes the open spot and the Alternate takes the spot created by the move. After the release of the Order of Play, the open spot vacated by the seed is filled by an Alternate.
- h. Method of Draw**
The first seed shall be placed at the top of the first section, the second seed shall be placed at the top of the second section and so on until all sections have one (1) seed on the top line of each section. The remaining seeds shall be drawn as one group. The first drawn shall be placed on the bottom line of the first section, the second drawn shall be placed on the bottom line of the second section and so on until all sections have one (1) seed on the bottom line of each section.

The names of the remaining players shall be drawn and placed in the vacant spaces not occupied by the seeds beginning at the top of the draw.

- i. **Acceptances of Qualifiers into Main Draw**
Once the Qualifying competition has begun, only those players who ultimately qualify and Lucky Losers may be accepted into the Main Draw.
- j. **Drawing of Qualifiers/Lucky Losers**
At the conclusion of the Qualifying competition, the name of one Qualifier will be drawn for each qualifying place in the Main Draw. There shall be no prior designation of qualifying sections to qualifying places in the Main Draw. Likewise, when more than one Lucky Loser is to be inserted into the Main Draw, their positions in the Main Draw shall be determined by drawing. Vacancies occurring before the Qualifying is completed to be filled by Lucky Losers shall be drawn in conjunction with those players who qualified.

4. Main Draw Doubles Entries and Withdrawals

- a. **Entry Deadline**
For Grand Slam Tournaments the entry deadline or sign-up will be as published in the official entry form.
- b. **Entry**
 - i. For Grand Slam Tournaments with a Qualifying doubles tournament entries must be received by the Referee on or before the official closing date for entries.
 - ii. For Grand Slam Tournaments with no Qualifying doubles tournament no player will be accepted for entry into the doubles event unless he or his doubles partner personally signs the on-site entry list or submits a written entry to the Referee or to any Grand Slam Supervisor or the Player Representative, provided, however, that any such non on-site entry shall be ineffective unless the Referee is notified thereof by the person receiving the written entry prior to the deadline.
The official doubles on-site entry list shall be kept in the Referee's office.
- c. **Vacancies**
A team shall constitute a doubles entry. Therefore, if either of the players of a team cannot play, that doubles entry is subject to default and substitution. However, if a player has to withdraw through injury or other unavoidable circumstances after the sign-in deadline, but before the draw, his partner may enter again with another player who has not already been accepted into the doubles event, and this new

team may be accepted provided it qualifies by virtue of the computer ranking used for selection. With this exception, players may not change partners after the doubles entry deadline. In no case shall any player change partners after the draw has been made unless the draw is remade due to the withdrawal of seeded teams.

d. Selection of Entries

Entries shall be accepted in the following order:

- i. Those players who, when teamed together, qualify consistent with the better of their individual singles or doubles ranking dated approximately seven (7) days prior to the commencement of the Grand Slam Tournament. The rankings of the two players of a team shall be added together and these totals will determine who qualifies.

Ties shall be resolved as follows:

1. Team using two (2) singles rankings
2. Team using one (1) singles ranking
3. A team using an Entry Protection/Special Ranking is positioned below the other team(s). If one player on each team is using an Entry Protection/Special Ranking then the ranking of each remaining player determines the order.

For ties between teams with the same composition, priority will be given to the team with the highest individual singles ranking. For teams using two doubles rankings priority will be given in the men's event to the team with the fewest number of tournaments played and then the team with the highest number of points. In the women's event to the team with the greatest combined total points, thereafter the team with the highest combined ranking from the previous week and then to the team with the fewest combined number of tournaments played over the previous 52-week period.

e. Substitution of Doubles Teams

If substitutes are required, Alternates or Lucky Losers shall be selected. The sign-in for doubles Alternates or Lucky Losers shall follow the same principles as the sign-in for singles Lucky Losers. One member of a Lucky Loser team may sign in for the team. If there is no Qualifying competition, substitutions shall come from the Alternate list of teams not accepted directly into the Main Draw and shall follow the acceptance procedures outlined above. In either case, only substitutions of the originally paired teams are permitted.

5. Doubles Main Draw

a. Time

Each Grand Slam Tournament shall specify the time that the draw is to be made. Once the draw is made there can be no change except for

substitution. Doubles Main Draw matches shall not commence until all Doubles Qualifying matches are completed.

b. Size of Draw

Unless otherwise approved by the GSB, the draw shall be for 64 teams. Qualifying teams will reduce the number of directly accepted Doubles Main Draw teams.

c. Wild Cards

The maximum number of doubles Wild Cards for a 64 team draw shall be seven (7).

A Grand Slam Tournament may not enter players as a Wild Card team without the consent of both players. A Wild Card may be offered to any team that is not a Direct Acceptance on the original entry list after entries have closed. A Wild Card may be offered to one player on an entered team if it is conditional on his playing with another player. Wild Cards must be named at the time the draw is made.

d. Seeds

i. The draw shall be seeded and the number of seeds shall be sixteen (16).

ii. Each Grand Slam Tournament shall be the final authority for the selection and resolution of ties with respect to seeds. Such selection and resolution shall be consistent with the computer ranking list dated approximately seven (7) days prior to the event.

iii. If, prior to the draw being finalised, it is determined that one-fourth (1/4) or more of the seeded pairs are unable to play, the entire draw may be remade.

Any vacancy created by the withdrawal of a seeded team prior to the release of the Order of Play for the first day of Main Draw shall be filled as follows:

- If the withdrawal is among seeds 1 to 4, the 5th seed is moved into then open position, and the 5th position shall be filled by the next highest ranked team eligible to be seeded.
- If the withdrawal is among seeds 5 to 16 it shall be filled by the next highest ranked team eligible to be seeded.

The position vacated by that next highest ranked team shall then be filled by the next team on the original entry list if prior to the commencement of the Qualifying competition or by the eligible Lucky Loser if after the commencement of the Qualifying competition.

Any vacancy created by the withdrawal of a seed which occurs after the release of the Order of Play for the first day of the Main Draw shall be filled by eligible Alternates/Lucky Losers.

- iv. Even if the draw is remade, the original entry pairings may not be changed except as provided with respect to vacancies.

GRAND SLAM® CODE OF CONDUCT

ARTICLE I: GENERAL

A. PURPOSE

The Grand Slam Board (GSB) promulgates this Grand Slam Code of Conduct (Code) in order to maintain fair and reasonable standards of conduct by players and the organisers of Grand Slam Tournaments, and to protect their respective rights, the rights of the public and the integrity of the Sport of Tennis.

B. APPLICABILITY

This Code is applicable as stated herein to the four Grand Slam Tournaments.

C. EXCLUSIVITY

This Code is the exclusive basis for disciplinary action against any player at Grand Slam Tournaments who violates its provisions. Players are also subject to the Anti-Corruption and Anti-Doping programmes set forth in Articles X and XI respectively.

D. UNITED STATES DOLLARS

All monetary fines set forth in the Code are in US Dollars.

ARTICLE II: PLAYER ENTRY OFFENCES

A. ENTRY OFFENCES

1. Late Withdrawal Non-Appearance

No player may withdraw his entry from the Main Draw of a Grand Slam Tournament for any reason after the withdrawal deadline, except that players on the Alternate list for the Main Draw may withdraw at any time prior to such time as they are moved into the Main Draw as a Direct Acceptance. A player who has entered the Main Draw or Qualifying and been accepted, and not timely withdrawn, shall appear for play.

Violation of this Section shall be penalised as follows:

Ranking (Entry List)	Fine Amount (Double if Seeded)
1 - 10	\$5,000
11 - 25	\$2,400
26 - 75	\$1,600
76 - 100	\$1,200
100 - 150	\$ 600
151 +	\$ 200

The fines specified shall be doubled in the case of any player whose ranking would have caused him to be seeded in the tournament.

In circumstances that are flagrant and particularly injurious to the success of the Grand Slam Tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”.

2. Playing Another Event

No player who has entered and been accepted into the Main Draw of a Grand Slam Tournament shall play in any other tennis event during the period of such tournament unless authorised by the GSB. Violation of this Section shall result in a fine of \$2,000 in addition to any other fines provided in the Code. In circumstances that are flagrant and particularly injurious to the success of the tournament, or are singularly egregious, a single violation of this Section shall also constitute the Major Offence of “Aggravated Behaviour”. In any case, two violations within the same calendar year shall also constitute the Major Offence of “Aggravated Behaviour”.

B. DETERMINATION AND PENALTY

The Director, GSB shall make such investigation as is reasonable to determine the facts regarding all Entry Offences and upon determining that a violation has occurred shall specify the fine and/or other punishment therefore and mail written notice thereafter to the player.

C. PAYMENT OF FINES

All fines levied by the Director, GSB shall be paid by the player to the GSB by delivery to the Director, GSB within ten (10) days after the notice thereof is provided.

D. REMISSION OF FINES

A player who has been fined for Late Withdrawal or Non-Appearance as above provided may apply to the Director, GSB for remission of such fine. The Director, GSB may remit the “first” Late Withdrawal or Non-Appearance fine in each year only in the event that he is satisfied in his sole judgement and discretion that the reasons for such Late Withdrawal or Non-Appearance were genuine, not foreseeable at the time of entry, justified and unavoidable and that the player has conducted himself in a professional manner with respect thereto. In order to petition for remission of this “first” Late Withdrawal or Non-Appearance fine, the player must:

1. Have notified the Director, GSB and the Tournament Director as soon as reasonably possible after the onset or occurrence of the basis for such Late Withdrawal or Non-Appearance.

2. File with the Director, GSB on or before ten (10) days after the first day of the tournament a written statement explaining in detail the reasons for such Late Withdrawal or Non-Appearance, along with any other evidence that the player deems important to such petition.
3. If the reason for such late Withdrawal or Non-Appearance is related to any injury or illness, furnish to the Director, GSB within ten (10) days after the first day of the tournament the details thereof, certified to by a qualified physician and legibly set forth in English, French, German or Spanish on the Grand Slam Medical Certification Form. Such excuse will be good for consecutive Grand Slam Tournaments missed for the same reasons.
4. Provided, however, if a player is injured at a tournament site after 1800 GMT on the Friday before that tournament, then, if he is examined by the tournament doctor and the Referee and diagnosed in writing as being medically unfit for singles and doubles play, such fine will be remitted. Thereafter each player withdrawing late from or not appearing at the next Grand Slam Tournament for any reason will be fined as provided above.

E. DISCRETIONARY REVIEW

Any player found to have committed an Entry Offence may, after paying all fines as above provided, petition the designated Chairman of the GSB for discretionary review by the GSB of the determination and penalty of the Director, GSB. The petition shall be in writing and must be filed with the Director, GSB within thirty (30) days after notice of the violation is mailed to the player. The Director, GSB shall thereafter promptly forward said petition to the Chairman. Said petition shall state in detail the basis for such appeal. Within thirty (30) days thereafter the Chairman shall review such petition and shall determine in his sole discretion whether or not the GSB shall hear the appeal. If the Chairman decides that the GSB should not hear the appeal, then the decision of the Director, GSB shall upon notice thereof become final. If the Chairman decides that the GSB should hear the appeal, then he shall designate a time and place for the hearing of such appeal and shall so notify the player and the Director, GSB. At such hearing the player and the Director, GSB shall present to the GSB the relevant evidence on the matter. The GSB may affirm, reverse, or modify the decision of the Director, GSB on appeal. If the appeal is decided against the player, then the GSB shall tax the reasonable costs of the appeal against the player, which costs shall include, but not be limited to, the reasonable travel and living expenses incurred by all witnesses and members of the GSB with respect thereto, if the same is not at a regularly scheduled meeting of the GSB.

Violation of this Section by a player, directly or indirectly through a Related Person or others, shall subject a player to a fine up to \$250,000 and/or to a maximum penalty of permanent suspension from play in all Grand Slam Tournaments.

Violation of this Section shall subject a Related Person to a maximum penalty of permanent revocation of accreditation and denial of access to all Grand Slam Tournaments.

C. DETERMINATION AND PENALTY

Upon the completion of his investigation the Director, GSB shall determine the innocence or guilt of the player involved, and, in the latter case, shall state in writing the facts as found by him, his conclusions and his decision fixing the penalty to be imposed. A copy of the decision shall be promptly delivered to the player and to the GSB.

D. PAYMENT OF FINES

All fines levied by the Director, GSB for Player Major Offences shall be paid by the player to the GSB by delivery to the Director, GSB within thirty (30) days after receipt of written notice thereof. E. APPEAL

Any player determined to be guilty of a Player Major Offense by the Director, GSB, after paying all fines, may appeal such determination to the GSB for review by written Notice of Appeal filed with the Director, GSB within five (5) business days after receiving notice of the Director, GSB's determination.

F. HEARING ON APPEAL

After the Notice of Appeal is filed, the GSB shall set a date, time and place for the Hearing on Appeal and shall so notify the player and the Director, GSB, provided that such date be as soon as reasonably possible after the Director, GSB's Determination and no later than thirty (30) days thereafter. 5. Evidence

Each side shall have the right to present witnesses, documentary evidence, and testimony by affidavit or deposition. Documentary evidence and affidavits shall not be admissible unless a copy thereof is submitted at least ten (10) days prior to the Hearing to the GSB and to the other party. Should objection be made to the introduction of an affidavit, the GSB may determine at its or their discretion that the interests of fairness require that the affiant be produced to testify at the Hearing, or, alternatively, that such affidavit be excluded. In the case of the former, a reasonable continuance must be granted for production of such witness.

6. Hearing

The Hearing shall be closed to the public unless both parties agree otherwise.

7. Record

The Hearing shall not ordinarily be transcribed, but each side shall have the right to have it recorded or transcribed at their sole expense.

Said written opinion shall set forth the facts as found by the GSB and the reasons in support of its determination. In addition, the GSB shall tax to the losing party all reasonable costs of the Appeal, including, but not limited to, the expenses and charges of the interpreter, legal advisor and any adverse witness required upon objection to testify concerning facts originally presented by way of affidavit. If the costs are taxed against a player as hereinabove provided, the same must be paid by the player to the GSB by delivery to the Director, GSB within ten (10) days after receipt of the decision of the GSB.

C. STAY OF SUSPENSIONS PENDING APPEALS

Whenever suspension of a player is decided upon by the Director, GSB, and an appeal either of right or discretionary review is perfected by the party aggrieved, then such suspension shall be stayed pending the resolution of such appeal.

D. SUSPENSION FOR NON-PAYMENT OF FINES

If, subsequent to the imposition of a fine, the same is not timely paid as hereinabove provided, the Director, GSB may suspend, pending payment, the party fined from further participation in further Grand Slam Tournaments. In addition, the Director, GSB is authorised to obtain collection of all overdue fines along with costs, if any, by all reasonable means, including deduction thereof from any subsequent winnings or amateur expenses in the same or succeeding year, or through the institution of legal proceedings as may be deemed necessary and appropriate.

Commission of any offense set forth in Section D or E of this Program including a violation of the Reporting Obligations or any other violation of the provisions of this Program shall constitute a Corruption Offense for all purposes of this Program.

- a. No Covered Person shall, directly or indirectly, wager or attempt to wager on the outcome or any other aspect of any Event or any other tennis competition.
- b. No Covered Person shall, directly or indirectly, solicit or facilitate any other person to wager on the outcome or any other aspect of any Event or any other tennis competition. For the avoidance of doubt, to solicit or facilitate to wager shall include, but not be limited to: display of live tennis betting odds on a Covered Person website; writing articles for a tennis betting publication or website; conducting personal appearances for a tennis betting company; and appearing in commercials encouraging others to bet on tennis.

- c. No Covered Person shall, directly or indirectly, solicit or accept any money, benefit or Consideration for the provision of an accreditation to an Event (i) for the purpose of facilitating a commission of a Corruption Offense; or (ii) which leads, directly or indirectly, to the commission of a Corruption Offense.

- k. No Covered Person may be employed or otherwise engaged by a company which accepts wagers on Events.

2. Reporting Obligation.

a. Players.

- i. In the event any Player is approached by any person who offers or provides any type of money, benefit or Consideration to a Player to (i) influence the outcome or

any other aspect of any Event, or (ii) provide Inside Information, it shall be the Player's obligation to report such incident to the TIU as soon as possible.

- ii. In the event any Player knows or suspects that any other Covered Person or other individual has committed a Corruption Offense, it shall be the Player's obligation to report such knowledge or suspicion to the TIU as soon as possible.
- iii. If any Player knows or suspects that any Covered Person has been involved in an incident described in Section D.2.b. below, a Player shall be obligated to report such knowledge or suspicion to the TIU as soon as possible.
- iv. A Player shall have a continuing obligation to report any new knowledge or suspicion regarding any Corruption Offense, even if the Player's prior knowledge or suspicion has already been reported.

b. Related Persons and Tournament Support Personnel.

- i. In the event any Related Person or Tournament Support Person is approached by any person who offers or provides any type of money, benefit or Consideration to a Related Person or Tournament Support Person to (i) influence or attempt to influence the outcome of any aspect of any Event, or (ii) provide Inside Information, it shall be the Related Person's or Tournament Support Person's obligation to report such incident to the TIU as soon as possible.

- c. For the avoidance of doubt, (i) a failure of the Reporting Obligation by any Covered Person; and/or (ii) a failure of the duty to cooperate under Section F.2 shall constitute a Corruption Offense for all purposes of the Program.

E. Additional Matters

1. Each Player shall be responsible for any Corruption Offense committed by any Covered Person if such Player either (i) had knowledge of a Corruption Offense and failed to report such knowledge pursuant to the reporting obligations set forth in Section D.2. above or (ii) assisted the commission of a Corruption Offense. In such event, the AHO shall have the right to impose sanctions on the Player to the same extent as if the Player had committed the Corruption Offense.
2. For a Corruption Offense to be committed, it is sufficient that an offer or solicitation was made, regardless of whether any money, benefit or Consideration was actually paid or received.
3. Evidence of a Player's lack of efforts or poor performance during an Event may be offered to support allegations that a Covered Person committed a Corruption Offense, but the absence of such evidence shall not preclude a Covered Person from being sanctioned for a Corruption Offense.
4. A valid defense may be made to a charge of a Corruption Offense if the person alleged to have committed the Corruption Offense (a) promptly reports such conduct to the TIU and (b) demonstrates that such conduct was the result of an honest and reasonable belief that there was a significant threat to the life or safety of such person or any member of such person's family.

F. Investigation and Procedure

1. **Anti-Corruption Hearing Officer.**
 - a. The TIB shall appoint one or more independent AHOs, who shall be responsible for (i) determining whether Corruption Offenses have been committed, and (ii) fixing the sanctions for any Corruption Offense found to have been committed.
 - b. An AHO shall serve a term of two years, which may thereafter be renewed in the discretion of the TIB. If an AHO becomes unable to serve, a new AHO may be appointed for a full two-year term pursuant to this provision.
2. **Investigations.**
 - a. The TIU shall have the right to conduct an initial interview and follow-up interviews, if necessary as determined solely by the

TIU, with any Covered Person in furtherance of investigating the possibility of a commission of a Corruption Offense.

- i. The date and time of all interviews shall be determined by the TIU, giving reasonable allowances for Covered Persons' tournament and travel schedules.
 - ii. The Covered Person shall have the right to have counsel attend the interview(s).
 - iii. The interview shall be recorded. The recorded interviews shall be used for transcription and evidentiary purposes and thereafter shall be retained by the TIU for a minimum of 3 years in a secure place.
 - iv. The Covered Person shall have the right to request an interpreter, and the cost shall be borne by the TIU.
 - v. Transcripts of the interview shall be provided to the Covered Person, upon request, within a reasonable period of time following the conclusion of the interview.
- b.** All Covered Persons must cooperate fully with investigations conducted by the TIU including giving evidence at hearings, if requested. No Covered Person shall tamper with or destroy any evidence or other information related to any Corruption Offense.
- c.** If the TIU believes that a Covered Person may have committed a Corruption Offense, the TIU may make a Demand to any Covered Person to furnish to the TIU any information regarding the alleged Corruption Offense, including, without limitation, (i) records relating to the alleged Corruption Offense (including, without limitation, itemized telephone billing statements, text of SMS messages received and sent, banking statements, Internet service records, computers, hard drives and other electronic information storage devices), and (ii) a written statement setting forth the facts and circumstances with respect to the alleged Corruption Offense. The Covered Person shall furnish such information within seven business days of the making of such Demand, or within such other time as may be set by the TIU. Any information furnished to the TIU shall be (i) kept confidential except when it becomes necessary to disclose such information in furtherance of the prosecution of a Corruption Offense, or when such information is reported to administrative, professional, or judicial authorities pursuant to an investigation or prosecution of non sporting laws or

regulations and (ii) used solely for the purposes of the investigation and prosecution of a Corruption Offense.

- d. By participating in any Event, or accepting accreditation at any Event, a Covered Person contractually agrees to waive and forfeit any rights, defenses, and privileges provided by any law in any jurisdiction to withhold information requested by the TIU or the AHO. If a Covered Person fails to produce such information, the AHO may rule a Player ineligible to compete, and deny a Covered Person credentials and access to Events, pending compliance with the Demand.
 - e. If a PTIO concludes that a Corruption Offense may have been committed, the PTIO shall refer the matter and send the evidence to the AHO, and the matter shall proceed to a Hearing before the AHO in accordance with Section G of this Program.
3. Each Covered Person shall be determined to be immediately contactable at the most current postal address provided to a Governing Body. Any Notice delivered hereunder to a Covered Person at such address, shall be deemed to have been received by the Covered Person on date of delivery to such address in the confirmation of delivery provided by the courier service company. At its discretion, as an alternative to or in conjunction with the courier delivery, any other method of secure and confidential communication may be used, including, but not limited to hand delivery, facsimile or e-mail, provided that the burden of proving receipt via such alternative methods shall be on the sending party.

G. Due Process

1. Commencement of Proceedings.

- a. When the PTIO refers a matter to the AHO pursuant to Section F.2.e, the PTIO shall send a Notice to each Covered Person alleged to have committed a Corruption Offense, with a copy to the AHO, setting out the following:
 - i. the Corruption Offense(s) alleged to have been committed, including the specific Section(s) of this Program alleged to have been infringed;
 - ii. the facts upon which such allegations are based;
 - iii. the potential sanctions prescribed under this Program for such Corruption Offense(s); and

- iv. the Covered Person's entitlement to have the matter determined by the AHO at a Hearing.
- b. The Notice shall also specify that, if the Covered Person wishes to dispute the PTIO allegations, the Covered Person must submit a written request to the AHO for a Hearing so that it is received as soon as possible, but in any event within fourteen business days of the date of the receipt of Notice as defined in Article F.3.
- c. A Covered Person shall direct any response to a Notice to the AHO with a copy to the PTIO and may respond in one of the following ways:
 - i. To admit the Corruption Offense and accede to the imposition of sanctions, in which case no hearing shall be conducted and the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) alleged in the Notice and ordering the imposition of sanctions, which shall be determined by the AHO after requesting and giving due consideration to a written submission from the PTIO on the recommended sanction.
 - ii. To deny the Corruption Offense and to have the AHO determine the charge, and if the charge is upheld, the sanctions, at a hearing conducted in accordance with Section G.2.
 - iii. To admit that he or she has committed the Corruption Offense(s) specified in the Notice, but to dispute and/or seek to mitigate the sanctions specified in the Notice. Either a request for hearing or a written submission solely on the issue of the sanction must be submitted simultaneously with the Covered Person's response to the Notice. If a hearing is requested, it shall be conducted in accordance with Section G.2. If no hearing is requested, the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) specified in the Notice and ordering the imposition of sanctions, after giving due consideration to the Covered Person's written submission (if any) and any response submitted by the PTIO.
- d. If the Covered Person fails to file a written request for a hearing by the deadline set out in Section G. 1. b, he or she shall be deemed:

- i. to have waived his or her entitlement to a hearing;
 - ii. to have admitted that he or she has committed the Corruption Offense(s) specified in the Notice;
 - iii. to have acceded to the potential sanctions specified in the Notice; and,
 - iv. the AHO shall promptly issue a Decision confirming the commission of the Corruption Offense(s) alleged in the Notice and ordering the imposition of sanctions, (after requesting and giving due consideration to a written submission from the PTIO on the recommended sanction).
- e. When a matter has been referred to the AHO pursuant to Section F.2.e, the PTIO may make an application to the AHO for a provisional suspension of the Covered Person if the PTIO determines that: (i) there is a substantial likelihood that the Covered Person has committed a Corruption Offense punishable by permanent ineligibility; (ii) in the absence of a provisional suspension, the integrity of tennis would be seriously undermined; and (iii) the harm resulting from the absence of a provisional suspension outweighs the hardship of the provisional suspension on the Covered Person.
 - i. The Covered Person shall be notified that the PTIO has made an application for a provisional suspension and shall be given the opportunity to make submissions in response to the application. The AHO shall decide the appropriate procedure for determining the provisional suspension application, including whether the application should be determined on the papers or whether to convene a hearing. The Covered Person shall be afforded a fair process, including a reasonable opportunity to present his/her case and supporting evidence.
 - ii. The provisions of Section H.1.c regarding the effect of a sanction of a period of ineligibility shall apply to a Covered Person who is serving a provisional suspension. The provisional suspension shall take effect from the date on which the AHO's decision regarding the application for the provisional suspension is deemed to have been received by the Covered Person.

iii. In the event that the Hearing is not commenced within sixty days from the date on which the Covered Person requested a Hearing, the Covered Person may apply to the AHO for the provisional suspension to be lifted. The provisions of Section G.1.e.(i) and (ii) shall apply to any such application by the Covered Person.

f. If, for any reason, the AHO is or becomes unwilling or unable to hear the case, then the AHO may request that the TIP appoint a substitute or successor AHO for such matter in accordance with Section F. 1.

g. In the event a Covered Person requests a hearing under Section G.1.c.ii or G.2.c.iii, thereafter, but no more than twenty business days after the date of the Notice or request for Hearing if received, the AHO shall convene a meeting or telephone conference with the PTIO and/or its legal representatives, the Covered Person to whom the Notice was sent and his or her legal representatives (if any), to take jurisdiction formally over the matter and to address any pre-Hearing issues. The non-attendance of the Covered Person or his or her representatives at the meeting, after proper notice of the meeting has been provided, shall not prevent the AHO from proceeding with the meeting in the absence of the Covered Person, whether or not any written submissions are made on behalf of the Covered Person. In the meeting the AHO shall:

i. determine the date(s) (no sooner than twenty business days after the meeting, unless the parties consent to a shorter period) upon which the Hearing shall be held. Subject to the foregoing sentence, the Hearing shall be commenced as soon as practicable after the Notice is sent, and ordinarily within ninety days of the date that the Covered Person requests a Hearing. If the AHO has imposed a provisional suspension, the Hearing shall ordinarily be held within sixty days of the date that the Covered Person requests a hearing.

ii. establish dates reasonably in advance of the date of the Hearing at which:

1. the Covered Person shall submit a brief with argument on all issues that he or she wishes to raise at the Hearing;

2. the PTIO shall submit an answering brief, addressing the arguments of the Covered Person

and setting out argument on the issues that the PTIO wishes to raise at the Hearing;

3. the Covered Person may submit a reply brief, responding to the PTIO answer brief; and

4. the Covered Person and the PTIO shall exchange witness lists (with each witness's address, telephone number and a summary of the subject areas of the witness's anticipated testimony) and copies of the exhibits that they intend to introduce at the Hearing; and

iii. make such order as the AHO shall deem appropriate in relation to the production of relevant documents or other materials between the parties.

h. The AHO may, at any time prior to issuing a Decision, request that an additional investigation be conducted into any matter reasonably related to the alleged Corruption Offense. If the AHO requests such an additional investigation, the TIU shall conduct the investigation in accordance with the AHO's directions and shall report the findings of that investigation to the AHO and the Covered Person implicated in the alleged Corruption Offense at least ten days prior to the Hearing. If the Covered Person wishes to object to, or raise any issues in connection with, such additional investigation, he or she may do so by written submission to the AHO.

2. Conduct of Hearings.

a. Hearings shall be conducted on a confidential basis. Unless the AHO orders otherwise for good cause shown by a party, each Hearing shall take place in either Miami, Florida, USA or London, England, as determined by the AHO.

b. The Covered Person shall have the right (i) to be present and to be heard at the Hearing and (ii) to be represented at the Hearing, at his or her expense, by legal counsel. The Covered Person may choose not to appear at the Hearing, but rather to provide a written submission for consideration by the AHO, in which case the AHO shall take such submission into account in making his or her Decision. However, the non-attendance of the Covered Person or his or her representative at the Hearing, after proper notice of the Hearing has been provided, shall not prevent the AHO from proceeding with the Hearing in his or her absence, whether or not any written submissions are made on his or her behalf.

- c. The procedures followed at the Hearing shall be at the discretion of the AHO, provided that the Hearing shall be conducted in a fair manner with a reasonable opportunity for each party to present evidence (including the right to call and to question witnesses), address the AHO and present his, her or its case.
- d. The PTIO shall make arrangements to have the Hearing recorded or transcribed at the PTIO expense. If requested by the Covered Person, the PTIO shall also arrange for an interpreter to attend the Hearing, at the PTIO expense.
- e. Witness testimony presented in person or by video conference is acceptable.
- f. The TIB as well as PTIO members shall be permitted to attend all hearings, in person or by audio or video conference.

3. Burdens and Standards of Proof.

- a. The PTIO (which may be represented by legal counsel at the Hearing) shall have the burden of establishing that a Corruption Offense has been committed. The standard of proof shall be whether the PTIO has established the commission of the alleged Corruption Offense by a preponderance of the evidence.
- b. Where this Program places the burden of proof upon the Covered Person alleged to have committed a Corruption Offense to rebut a presumption or establish facts or circumstances, the standard of proof shall be by a preponderance of the evidence.
- c. The AHO shall not be bound by any jurisdiction's judicial rules governing the admissibility of evidence. Instead, facts relating to a Corruption Offense may be established by any reliable means, as determined in the sole discretion of the AHO.

4. Decisions.

- a. Once the parties have made their submissions, the AHO shall determine whether a Corruption Offense has been committed. Where Section H of this Program specifies a range of possible sanctions for the Corruption Offense found to have been committed, the AHO shall also fix the sanction within that range, after considering any submissions on the subject that the parties may wish to make.

- b.** The AHO shall issue a Decision in writing as soon as possible after the conclusion of the Hearing. Such Decision will be sent to the parties and shall set out and explain:
 - i.** the AHO's findings as to what Corruption Offenses, if any, have been committed;
 - ii.** the sanctions applicable, if any, as a result of such findings; and
 - iii.** the rights of appeal applicable pursuant to Section I of this Program.
- c.** The TIU shall pay all costs and expenses of the AHO and of staging the Hearing. The AHO shall not have the power to award costs or make any costs order against a Covered Person or the PTIO. Each party shall bear its own costs, legal, expert and otherwise.
- d.** Subject only to the rights of appeal under Section I of this Program, the AHO's Decision shall be the full, final and complete disposition of the matter and will be binding on all parties. If the AHO determines that a Corruption Offense has been committed, the TIB will publicly report the Decision.

H. Sanctions

- 1.** The penalty for any Corruption Offense shall be determined by the AHO in accordance with the procedures set forth in Section G, and may include:
 - a.** With respect to any Player, (i) a fine of up to \$250,000 plus an amount equal to the value of any winnings or other amounts received by such Covered Person in connection with any Corruption Offense, (ii) ineligibility for participation in any event organized or sanctioned by any Governing Body for a period of up to three years, and (iii) with respect to any violation of Section D.1, clauses (d)-(j) and Section D.2., ineligibility for participation in any event organized or sanctioned by any Governing Body for a maximum period of permanent ineligibility.
 - b.** With respect to any Related Person or Tournament Support Person, (i) a fine of up to \$250,000 plus an amount equal to the value of any winnings or other amounts received by such Covered Person in connection with any Corruption Offense; (ii) suspension of credentials and access to any Event organized, sanctioned or recognized by any Governing Body for a period of not less than one year, and (iii) with respect to any violation

of clauses (c)-(i) of Section D.1., suspension of credentials and access to any Event organized, sanctioned or recognized by any Governing Body for a maximum period of permanent revocation of such credentials and access.

- c. No Player who has been declared ineligible may, during the period of ineligibility, participate in any capacity in any Event (other than authorized anti-gambling or anti-corruption education or rehabilitation programs) organized or sanctioned by any Governing Body. Without limiting the generality of the foregoing, such Player shall not be given accreditation for, or otherwise granted access to, any competition or event to which access is controlled by any Governing Body, nor shall the Player be credited with any points for any competition played during the period of ineligibility.
2. The TIU may report information regarding an investigation to the TIB and the PTIOs at any time.
3. The TIB may report Corruption Offenses that also violate non-sporting laws and regulations to the competent administrative, professional or judicial authorities.
4. If any Covered Person commits a Corruption Offense under this program during a period of ineligibility, it shall be treated as a separate Corruption Offense under this Program.
5. Substantial Assistance. The AHO may reduce any period of ineligibility, either at the time of the original decision or subsequently (by reconvening), if the Covered Person has provided substantial assistance to the PTIO or the TIU that results in the discovery or establishing of a corruption offense by another Covered Person. Upon application by the Covered Person pursuant to this provision, the AHO shall establish an appropriate procedure for consideration of the application, including the opportunity for the Covered Person and the PTIO to make submissions regarding the application. The AHO has complete discretion in consideration an application for reduction of a penalty under this provision.

I. Appeals

1. Any Decision (i) that a Corruption Offense has been committed, (ii) that no Corruption Offense has been committed, (iii) imposing sanctions for a Corruption Offense, or (iv) that the AHO lacks jurisdiction to rule on an alleged Corruption Offense or its sanctions, may be appealed exclusively to CAS in accordance with CAS's Code

of Sports-Related Arbitration and the special provisions applicable to the Appeal Arbitration Proceedings, by either the Covered Person who is the subject of the Decision being appealed, or the TIB.

2. Any Decision appealed to CAS shall remain in effect while under appeal unless CAS orders otherwise.
3. The deadline for filing an appeal with CAS shall be twenty business days from the date of receipt of the Decision by the appealing party.
4. The decision of CAS shall be final, non-reviewable, non-appealable and enforceable. No claim, arbitration, lawsuit or litigation concerning the dispute shall be brought in any other court or tribunal.

J. Conditions of Reinstatement

1. Once a Covered Person's period of ineligibility or suspension has expired and the Covered Person has paid all fines and/or prize money forfeitures, the Covered Person will become automatically eligible and no application by the Covered Person for reinstatement will be necessary.
2. All fines and/or prize money forfeitures imposed on players hereunder must be paid within thirty (30) days following the later of the receipt of an AHO decision or, if appealed to CAS, the receipt of the CAS decision. If not paid within the prescribed timeframe, the player shall be ineligible for participation in any event organized or sanctioned by any Governing Body until such time as the fine and/or prize money forfeitures have been paid in full. The AHO and the PTIO shall have the discretion to establish an installment plan for payment of any fines and/or prize money forfeitures. For the avoidance of doubt, the schedule of payments pursuant to such plan may extend beyond any period of ineligibility; however, a default in payment under such plan shall automatically trigger a period of ineligibility until such default is cured.

K. General

1. No action may be commenced under this Program against any Covered Person for any Corruption Offense unless such action is commenced within either (i) eight years from the date that the Corruption Offense allegedly occurred or (ii) two years after the discovery of such alleged Corruption Offense, whichever is later.
2. Section headings within this Program are for the purpose of guidance only and do not form part of the Program itself. Nor do they inform or affect the language of the provisions to which they refer.

3. This Program shall be governed in all respects (including, but not limited to, matters concerning the arbitrability of disputes) by the laws of the State of Florida, without reference to conflict of laws principles.
4. In the event any provision of this Program is determined invalid or unenforceable, the remaining provisions shall not be affected. This Program shall not fail because any part of this Program is held invalid.
5. Except as otherwise stated herein, failure to exercise or enforce any right conferred by the Program shall not be deemed to be a waiver of any such right nor operate so as to bar the exercise or enforcement thereof or of any other right on any other occasion.
6. This Program is applicable prospectively to Corruption Offenses occurring on or after the date that this Program becomes effective. Corruption Offenses occurring before the effective date of this Program are governed by the former rules of the Governing Bodies which were applicable on the date that such Corruption Offense occurred.
7. Except as otherwise agreed to by the parties, all filings, Decisions, Hearings and appeals shall be issued or conducted in English.

ARTICLE XI: DRUG OFFENCES

The GSB believes that the use of illegal drugs is inconsistent with and contrary to the best interests of the sport. The GSB fully supports, encourages and seeks to cooperate in the further development and refinement of an acceptable drug-testing programme. Players and Tournament Officials may be required to undergo drug testing either as a result of governmental or other binding regulations imposed upon the event by authorities outside its control or as a result of the application of the Tennis Anti-Doping Programme, approved for 2014 by the GSB.
